

Our Special Gifts For You

PASA is pleased to offer special gifts to our donors this season. The theme of this year's Annual Fund is *direct to consumer farm marketing*, and we've developed gifts to match!

Help PASA reach our 2009 Annual Fund goal of \$250,000. Contributors will receive the following gifts:

For your generous gift of \$100

we'll send you **three PASA tablets**. They are magnetized on back, which makes them perfect to hang on the fridge. A nice reminder of your organization, and the perfect place to jot down your farmers market grocery list!

We'll also send you beautiful

blank **note cards** with envelopes by Pittsburgh artist Karen Sandorf.

If you like to eat well and like trying new recipes (featured on the back), you'll enjoy these illustrated fruit and vegetable cards. The four farm-fresh images

include: chard, snow peas, mesclun & strawberries. Printed on recycled paper, each card is uniquely charming.

For your generous gift of \$250 or more

we'll send you the tablet and note card sets, along with a full color custom printed **PASA tote bag**. This spacious 17x17x6 bag with sturdy double-stitched handles is constructed of organic canvas and made with pride in the USA.

Printed with the popular conference Mola design and the slogan "Finding Your Foodshed," this cool tote is perfect to take to market and fill with local goodies!
